

Taylor Morrison Announces Results of Early Participation in Exchange Offers and Consent Solicitations for William Lyon Notes

December 19, 2019

SCOTTSDALE, Ariz., Dec. 18, 2019 /PRNewswire/ -- Taylor Morrison Home Corporation (NYSE: TMHC) ("Taylor Morrison") announced today that, in the previously announced exchange offers and consent solicitations by its subsidiary, Taylor Morrison Communities, Inc. ("TMCI"), for three series of outstanding senior notes (collectively, the "William Lyon Notes") issued by William Lyon Homes, Inc. ("William Lyon"), the requisite consents have been received to adopt the proposed amendments (the "Amendments") to the indentures governing each series of William Lyon Notes (the "William Lyon Indentures"). As a result, William Lyon, the guarantors of the William Lyon Notes and the trustee under the William Lyon Indentures have executed supplemental indentures (the "Supplemental Indentures") to the William Lyon Indentures to effect the Amendments. William Lyon is a direct subsidiary of William Lyon Homes (NYSE:WLH) ("Lyon Parent"). As previously disclosed, Taylor Morrison and Lyon Parent have entered into an Agreement and Plan of Merger to provide for a subsidiary of Taylor Morrison to merge with and into Lyon Parent, with Lyon Parent surviving as a wholly owned subsidiary of Taylor Morrison (the "Merger").

The Amendments will not become operative unless and until (i) TMCI or William Lyon notifies the trustee for the applicable William Lyon Notes that TMCI has delivered to The Depository Trust Company for the holders of such William Lyon Notes the aggregate amount to be paid to such holders as consent payments, upon the terms and subject to the conditions in the Offering Memorandum (as defined below) or the Separate Consent Solicitation Statement (as defined below), as applicable, in respect of the consents validly delivered and not revoked thereunder and (ii) the William Lyon Notes that are validly tendered (and not validly withdrawn) in the exchange offers described below have been accepted for exchange by TMCI in accordance with the terms of the Offering Memorandum.

The consent results are based on (i) early tenders in the offers to exchange (the "Exchange Offers") any and all outstanding William Lyon Notes for up to \$1.09 billion aggregate principal amount of new notes to be issued by TMCI (the "Taylor Morrison Notes"), which tenders are deemed also to constitute the delivery of consents in the related consent solicitations (the "Consent Solicitations") being made by TMCI on behalf of William Lyon to adopt the Amendments, (ii) deliveries of consents in the Consent Solicitations (without tendering the William Lyon Notes in the Exchange Offers) and (iii) deliveries of consents in the separate solicitations of consents (the "Separate Consent Solicitations") from holders of William Lyon Notes that are not eligible to participate in the Exchange Offers.

As of 5:00 p.m., New York City time, on December 18, 2019 (the "Early Participation Date" under the Exchange Offers and the Consent Solicitations and the "Consent Deadline" under the Separate Consent Solicitations), (i) the principal amounts of William Lyon Notes set forth in the table below had been validly tendered and not validly withdrawn (and consents thereby validly given and not validly revoked) in the Exchange Offers, (ii) consents in respect of the principal amounts of William Lyon Notes set forth in the table below had been validly delivered and not validly revoked in the Consent Solicitations and (iii) consents in respect of the principal amounts of William Lyon Notes set forth in the table below had been validly delivered and not validly revoked in the Separate Consent Solicitations. For each \$1,000 principal amount of William Lyon Notes validly tendered and not validly withdrawn or with respect to which consents had been validly delivered and not validly revoked at or prior to the Early Participation Date or the Consent Deadline, as applicable, holders of William Lyon Notes will be eligible to receive a consent payment of \$2.50 in cash (the "Consent Payment").

Tendered William Lyon Notes may be withdrawn at any time prior to the Expiration Date. However, a valid withdrawal of tendered William Lyon Notes after the Consent Revocation Deadline will not constitute a revocation of any previously delivered consents in respect of those notes and such consents will continue to be deemed delivered.

The Exchange Offers are being, and the Consent Solicitations were, made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated December 5, 2019 (the "Offering Memorandum") and the related letter of transmittal in a private offering exempt from, or not subject to, registration under the Securities Act of 1933, as amended (the "Securities Act"), and are conditioned upon the closing of the Merger and certain other conditions that may be waived by TMCI. Each Exchange Offer will expire at 12:01 a.m., New York City time, on January 6, 2020 (as the same may be extended, the "Expiration Date"), unless terminated. The settlement date for the Exchange Offers is expected to occur promptly after the Expiration Date, and the Expiration Date of each of the Exchange Offers is expected to be extended such that such settlement date coincides with the closing date of the Merger. As a result, the Expiration Date may be extended one or more times.

The complete terms and conditions of the Exchange Offers and Consent Solicitations are described in the Offering Memorandum and related letter of transmittal, copies of which may be obtained by contacting Global Bondholder Services Corporation, the exchange agent and information agent in connection with the Exchange Offers and Consent Solicitations, at (866) 807-2200 (U.S. toll-free) or (212) 430-3774 (banks and brokers).

The Separate Consent Solicitations were made pursuant to the terms and subject to the conditions set forth in a separate consent solicitation statement, dated December 5, 2019 (the "Separate Consent Solicitation Statement") and the related letter of consent, and are conditioned upon the closing of the Merger and certain other conditions that may be waived by TMCI.

The complete terms and conditions of the Separate Consent Solicitations are described in a Separate Consent Solicitation Statement and related letter of consent, copies of which may be obtained by contacting Global Bondholder Services Corporation, the information and tabulation agent in connection with the Separate Consent Solicitations, at (866) 807-2200 (U.S. toll-free) or (212) 430-3774 (banks and brokers).

Each of the previously announced change of control offers (the "Change of Control Offers") with respect to William Lyon Notes made by TMCI in connection with the Merger pursuant to the change of control notice and offer to purchase dated December 5, 2019 (the "Change of Control Notice") have been terminated because the Supplemental Indentures have been executed. If and when the Amendments become operative, the Amendments will remove the requirement to make the Change of Control Offers. All William Lyon Notes validly tendered and not validly withdrawn pursuant to the Change of Control Offers will be returned promptly to the holder thereof in accordance with the Change of Control Notice and applicable law, and holders will not receive the purchase price for their William Lyon Notes tendered in the Change of Control Offers.

This press release does not constitute an offer to sell or purchase, or a solicitation of an offer to sell or purchase, or the solicitation of tenders or consents with respect to, any security. No offer, solicitation, purchase or sale will be made in any jurisdiction in which such an offer, solicitation or sale would be unlawful.
